F.No. ITEF/MPCG/AGTN/2015

Dated: 04.02.2015

To

The Principal Chief Commissioner of Income Tax
M. P. & C. G., Bhopal.

Sir

Sub:- Agitation against anti employees activities – Regarding.

Ref:- Tour letter F. No. Pr. CCIT/MP/Estt..1/ITEF/2014-15, dated 04.02.2015.

Kindly refer to the above. Vide which the response of the Admn. over the referred letter of the ITEF has been communicated. We have discussed at the length the action taken/proposed to be taken on the charter of demands submitted by the ITEF.

On the issue of Inter State transfers the selective approach of the Admn. is not acceptable to us because the transfer of merely two Inspectors from CG to MP is not going to solve the problems of shortages at the station where they are transferred. Therefore, their cases also deserve to be accepted and we once again request the Hon'ble Pr. CCIT to review his decision and to kindly grant stay to the remaining two ITIs upto 30.04.2015.

As regards the transfer of officials from Investigation wing, the proposed action will not solve the problems of the members as this year would be tantamount to be Zero Year in respect of the investigation wing and would give a wrong signal. Hence, it is vehemently requested to immediately start the process of atleast Rotation transfers of the officials who completed their stay period in the wing as per RJCM policy.

On other points, the ITEF believes that the promises given in words will surely be translated into action in a time bound manner so as to give our members a larger satisfaction in its true sense.
